Mr. Cliff Mendelson
Artist-in-Residence
16 Lavender Lane
Tomkins Cove, NY 10986

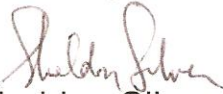

Dear Mr. Mendelson:

We received the two pieces of pottery from the 'Day in Clay' workshop at East Brook School. They are magnificent. We have them on display, with the photographs, in the lobby showcase.

The students and staff enjoyed having you here to share your skill and knowledge with them.

We wish you continued success with your program; and thank you for the hands-on demonstration into the world of pottery.

Sincerely,

Sheldon Silver
Principal
