Cliff Mendelson
A Day in Clay
16 Lavender Lane
Tomkins Cove, New York 10986

Dear Cliff,

I want to thank you for the beautiful clay pottery you sent our school. It will be put on display for all students to see and I will share the web site with the students involved.

I know that the children enjoyed your presence last year and looked forward to working with you. I do hope the district can find money to bring your program back to Fort Lee.

Thank you very much,

John Caputo
Principal
