Dear Cliff,

The Washingtonville Middle School was very pleased to have you as an artist in residence this year. The students thoroughly enjoyed the hands-on experience and the art history aspect of your program. The opportunity to see an authentic artist at work enhanced the experience. It was evident that a great deal of thought went into your program which was geared to the age level of the audience.

The pictures and pieces you sent are beautiful and we are planning to setup a display in the near future. Thank you for your many contributions to our school. We look forward to future endeavors.

Sincerely,

**Maureen Peterson
