Dear Cliff:

I have just reviewed your students' evaluations for the Fall 2004 semester and am forwarding the original documents to you. I note that your students, in general, think highly of your work. Please allow me to take this opportunity to congratulate you and thank you for a job well done.

I do not have any concerns at the present time. But if you wish to have a discussion, please feel free to contact Katie Casey at (914) 606-6285 for an appointment.

Thank you.

Sincerely,

Jianping Wang
